Angels From Montgomery

(John Prine)

I am an old woman named after my mother
My old man is another child that's grown old
If dreams were lightning, thunder were desire
This old house would have burned down a long time ago

Chorus:

*Make me an angel that flies from Montgom'ry
Make me a poster of an old rodeo
Just give me one thing that I can hold on to
To believe in this living is just a hard way to go*

When I was a young girl, well I had me a cowboy
He weren't much to look at, just a free rambling man
But that was a long time & no matter how I try
The years just flow by like a broken down dam

(chorus)

There's flies in the kitchen I can hear 'em there buzzing
And I ain't done nothing since I woke up today
How the hell can a person go to work in the morning
Come home in the ev'ning and have nothing to say

Big Rock Candy Mountain

(Traditional)

One evening as the sun went down and the jungle fires
were burning
Down the track came a hobo hiking and he said, "Boys I'm
not turning"
I'm headed for a land that's far away besides the crystal
fountain
So, come with me, we'll go and see the Big Rock Candy
Mountains

In the Big Rock Candy Mountains, there's a land that's fair
and bright
Where the handouts grown on bushes and you sleep out
every night
Where the boxcars all are empty and the sun shines
everyday
The birds and the bees the bubble gum trees the lemonade
springs
Where the bluebird sings in the Big Rock Candy Mountains

In the Big Rock Candy Mountains all the cops have wooden
legs
And the bulldogs all have rubber teeth and the hens lay soft
boiled eggs
The farmer's trees are full of fruit and the barns are full of
hay
Oh I'm bound to go where there ain't no snow where there
ain't no fall
And the winds don't blow in the Big Rock Candy Mountains

In the Big Rock Candy Mountains you never change your
socks
And the little streams of lemonade come a tricklin' down the
rocks
The brakemen have to tip their hats and the railroad bulls
are blind
There's a lake of stew and of soda too
You can paddle all around them in a big canoe
In the Big Rock Candy Mountains

In the Big Rock Candy Mountains the jails are made of tin
And you can walk right out of them as soon as you are in
There ain't no short handle shovels, no axes, saws, or picks
I'm a gonna stay where you sleep all day
Where they hang the jerk that invented work
In the Big Rock Candy Mountains

Big Yellow Taxi

(Joni Mitchell)

They paved paradise and put up a parking lot.
With a pink hotel, a boutique, and a swinging hot spot.

Chorus:

*Don't it always seem to go,
That you don't know what you've got 'till it's gone?
They paved paradise and put up a parking lot. (oooh-oooh-
bop-bop-bop)*

They took all the trees and put 'em in a tree museum.
And they charged all the people a dollar and a half just to
see 'em.

(chorus)

Hey farmer, farmer, put
away that DDT now.
Give me spots on my apples, but
leave me the birds and the bees. Please!

(chorus)

Late last night I heard the screen door slam.
And a big yellow taxi took away my old man.

(chorus)

Late last night I heard the screen door slam, again.
It was a big old plow to push around my land.

Blowing in the Wind

(Bob Dylan)

How many roads must a man walk down
Before you can call him a man?
How many seas must a white dove sail
Before she can sleep in the sand?
How many times must the cannonballs fly
Before they are forever banned?

Chorus:

*The answer my friend, is blowing in the wind
The answer is blowing in the wind.*

How many years can a mountain exist
Before it is washed to the sea
How many years can some people exist
Before they're allowed to be free?
How many times can a man turn his head
Pretending he just doesn't see?

(chorus)

How many times must a man look up
Before he can see the sky?
How many ears must one man have
Before he can hear people cry?
How many deaths will it take till he knows
That too many people have died?

Both Sides Now

(Joni Mitchell)

Rows and flows of angel hair
And ice cream castles in the air
And feather canyons everywhere,
I've looked at clouds that way
But now they only block the sun,
They rain and snow on everyone
So many things I would have done
But clouds got in my way

Chorus:

*I've looked at clouds from both sides now,
From up and down, and still somehow
It's clouds illusions I recall,
I really don't know clouds at all*

Moons and Junes and ferris wheels
The dizzy dancing way you feel
As every fairy tale comes real
I've looked at love that way
But now it's just another show,
You leave 'em laughing when you go
And if you care, don't let them know
Don't give yourself away

Chorus:

*I've looked at love from both sides now
From give and take, and still somehow
It's love's illusions I recall
I really don't know love at all*

Tears and fears and feeling proud
To say, "I love you" right out loud
Dreams and schemes and circus crowds
I've looked at life that way
But now old friends are acting strange
They shake their heads they say I've changed
Something's lost but something's gained
In living every day

Chorus:

*I've looked at life from both sides now
From win and lose and still somehow
It's life's illusions I recall
I really don't know life at all*

The Camel Song

(Jonathan Bloom & Ray Ramirez)

I see a camel on the horizon
I see him coming after me
Give 'em a hug
Give 'em a kiss
A camel is a wonderful thing to see

I see a llama on the mountain
I see him coming down to me
Give 'em a hug
Give 'em a kiss
A llama is a wonderful thing to see

Bridge:

The camel is a cousin of the llama
Who lives on the mountain high
The llama is a cousin of the camel
Who lives in the desert dry

I see a camel on the horizon
I see him coming after me
Give 'em a hug
Give 'em a kiss
A camel is a wonderful thing to see

The Cat Came Back
(Harry S. Miller)

Old Mister Johnson had troubles of his own,
He had a yellow cat that wouldn't leave its home,
He tried and he tried to give the cat away,
He gave it to a man going far, far away.

Chorus:

*But the cat came back, the very next day.
The cat came back; they thought it was a goner,
But the cat came back; it just wouldn't stay away.*

He gave it to a man going way out West.
Told him for to take it to the one he loved the best.
First the train hit the curve, then it jumped the rail.
Not a soul was left behind to tell the gruesome tale.

(chorus)

Away across the ocean they
did send the cat at last.
Vessel only out a day and
making water fast.
People all began to pray,
the boat began to toss.
A great big gust of wind came
by and every soul was lost.

(chorus)

On a telegraph wire, sparrows sitting
in a bunch.
The cat was feeling hungry, thought he'd
like 'em for his lunch.
Climbing softly up the pole, and when he reached the top,
Put his foot on the electric wire, which tied him in a knot.

(chorus)

The atom bomb fell just the other day.
The H-bomb fell in the very same way.
Russia went, England went, and then the USA.
The human race was finished without a chance to pray.

Chaos, Fortune & Tears
(Ruth Gerson)

There's a river that runs by my window
That chases the faces of fear
She takes me on board and to the willow
On an island I find she holds dear
She says I believe that Reason is tired
I believe she's seeing her last years
She's leaving her children behind her:
Chaos and Fortune and Tears

There's a river that runs by my window
A sea that sleeps by my door

An ocean curls up on my pillow
Go to sleep now, don't ask me no more

Chaos is telling in riddle
Bout a needle he's found in the hay
And Fortune has broken her finger
She's pointing the opposite way
Tears, the girl, cries on my shoulder
She knows Time is getting older as well
And with mother and father behind her
There'll be nothing but stories to tell

I tell her there's something inside her
It comes by her name and from her hand
The river that runs, it runs by her
Her crying, her fighting, her laugh

There's a river that runs by my window
I worry of nothing at all
I keep my mind free of disaster
I whisper to Tears by the shore
I'll be with her forever in sadness
I'll be with her forever in joy
And in hell and in heaven's own madness
I will stitch my soul to her soul

There's a river that runs by my window
A sea that sleeps by my door
An ocean curls up on my pillow
Go to sleep now, don't ask me no more

The Christians and the Pagans
(Dar Williams)

Amber called her uncle, said
"We're up here for the holiday
Jane and I were having Solstice
now we need a place to stay"
And her Christ-loving uncle watched his
wife hang Mary on the tree
He watched his son hang candy canes
all made with red dye number three.
He told his niece, "It's Christmas eve,
I know our life is not your style"
She said, "Christmas is like Solstice
and we miss you and it's been a while"

Chorus:

*So the Christians and the Pagans sat
together at the table
Finding faith and common ground
the best that they were able.
And just before the meal was served,
hands were held and prayers were said
Sending hope for peace on earth
to all their gods and goddesses.*

The food was great, the tree plugged in,
the meal had gone without a hitch

'til Timmy turned to Amber and said,
 "Is it true that you're a witch?"
 His mom jumped up and said,
 "The pies are burning," and she hit the kitchen
 and it was Jane who spoke, she said,
 "It's true, your cousin's not a Christian."
 "But we love trees, we love the snow,
 the friends we have, the world we share
 and you find magic from your God,
 and we find magic everywhere."

Chorus:
So the Christians and the Pagans sat
together at the table
Finding faith and common ground
the best that they were able.
And where does magic come from,
I think magic's in the learning
Cause now when Christians sit with Pagans
only pumpkin pies are burning.

When Amber tried to do the dishes
 her Aunt said "No, don't bother."
 Amber's Uncle saw how Amber
 looked like Tim and like her father.
 He thought about his brother,
 how they hadn't spoken in a year.
 He thought he'd call him up and say
 "It's Christmas and your daughter's here."
 He thought of fathers, sons and brothers,
 saw his own son tug his sleeve.
 Saying "Can I be a Pagan?" Dad said,
 "We'll discuss it when they leave."

Chorus:
So the Christians and the Pagans sat
together at the table
Finding faith and common ground
the best that they were able.
Lighting trees in darkness, learning
new ways from the old,
Making sense of history and
drawing warmth out of the cold.

The Circle Game (Joni Mitchell)

Yesterday a child went out to wander,
 Caught a dragon fly inside a jar.
 Fearful when the sky was full of thunder,
 And tearful at the falling of a star.

Chorus:
And the seasons they go round and round.
And the painted ponies go up and down.
We're captive on a carousel of time.
We can't return, we can only look behind from where we
came,

And go round and round and round in the circle game.

Then the child moved ten times round the seasons,
 Skated over ten clear frozen streams.
 Words like "when you're older..." must appease him,
 And promises of someday make her dreams.

(chorus)

Sixteen springs and sixteen summers gone now,
 Cartwheels turn to car wheels through the town.
 And they tell her "Take you time, it won't be long now
 "Til you drag your feet and slow the circles down."

(chorus)

The years spin by and now the child is twenty,
 Though her dreams have lost some grandeur coming true.
 There'll be new dreams, maybe better dreams, and plenty,
 Before the last revolving year is through.

Close Your Eyes (James Taylor)

Well the sun is surely sinking down,
 But the moon is slowly rising.
 So this old world must still be spinnin' 'round,
 And I still love you.

Chorus:
So close your eyes
You can close your eyes, it's all right.
I don't know no love songs
And I can't sing the blues anymore.
But I can sing this song
And you can sing this song, when I'm gone.

Tomorrow's gonna be another day,
 We gonna have a good time.
 Nobody's gonna take this time away,
 You can stay as long as you like.

(Aaron Zeitlin)

On a wagon bound for market
There's a calf with a mournful eye
High above him, there's a swallow
Winging swiftly through the sky

Chorus:
How the winds are laughing
They laugh with all their might
Laugh and laugh the whole day through and-
Half the summer's night, dona dona,
Dona dona dona dona... (4x)

Stop complaining," said the farmer,
"Who told you a calf to be? "Why don't you have wings to fly with
"Like the swallow so proud and free?"

Draft Dodger Rag

(Phil Ochs)

Oh, I'm just a typical American boy
From a typical American town.
I believe in G-d and Senator Dodd
And in keeping old Castro down.
'N when it came my time to serve,
I knew "Better dead than red!"
But when I got to my old draft board, buddy,
This is what I said,

Chorus:

Sarge I'm only 18, I got a ruptured spleen
And I always carry a purse.
I got eyes like a bat and my feet are flat,
And my asthma's getting worse.
O, think of my career, my sweetheart dear,
My poor old invalid aunt.
Besides I ain't no fool, I'm a-goin' to school
And I'm working in a defense plant.

I got a dislocated disc and a racked-up back,
I'm allergic to flowers and bugs.
When the bombshell hits I get epileptic fits,
And I'm addicted to a thousand drugs.
I got the weakness woes, I can't touch my toes,
I can hardly reach my knees.
And if the enemy came close to me,
I'd probably start to sneeze.

(chorus)

I hate Chou En-Lai and I hope he dies,
But one thing you gotta see.
Is if someone's gotta go over there,
Then that someone isn't me.
So I wish you well Sarge, give 'em hell,
Yeah kill me a thousand or so.
And if you ever get a war without blood and gore,
Well I'll be the first to go!

Chorus:

For the old man is a-waitin' for to carry you to freedom

Follow the drinkin' gourd

When the sun comes up and the first quail calls

Follow the drinkin' gourd

For the old man is a-waitin' for to carry you to freedom

The dead trees will show you the way

For What it's Worth

(Steven Stills)

There's something happening here.

What it is ain't exactly clear.

There's a man with a gun over there,

Telling me I've got to beware.

Chorus:

It's time to stop, children, what's that sound?

Everybody look what's goin' down.

There's battle lines being drawn.

Nobody's right if everybody's wrong.

Young people speakin' their minds,

Gettin' so much resistance from behind.

(chorus)

What a field day for the heat.

A thousand people in the street,

Singing songs and carryin' signs.

Mostly saying, "Hooray for our side."

It starts when you're always afraid.

There's a land that I see

Where the children are free.

And I say it ain't far

To this land from where we are.

Take my hand, come with me,

Where the children are free,

Chorus:

Come with me, take my hand, and we'll run...

To a land where the river runs free

To a land through the green country

To a land to a shining sea

To a land where the horses run free

To a land where the children are free

And you and me are free to be you and me

(Do do-do do, do do-do do do)

I see a land bright and clear,

And the time's coming near,

When we'll live in this land,

You and me hand in hand.

Take my hand, come along,

Lend your voice to my song,

The Garden Song

(Dave Mallet)

Chorus:

*Inch by inch, row by row
Gonna make this garden grow
Gonna mulch it deep and low
Gonna make it fertile ground
Inch by inch, row by row
Please bless these seeds I sow
Please keep them safe below
Till the rain comes tumbling down*

Pullin' weeds and pickin' stones
We are made of dreams and bones
Need a place to call my own
Cause the time is close at hand
Grain for grain, sun and rain
Find my way in nature's chain
Tune my body and my brain
To the music of the land

(chorus)

Plant your rows straight and long
And season with prayer and song
Mother Earth will make you strong
If you give her loving care
Old crow watching from a tree
He's got his eye on me
But in my garden I'm as free
As that feathered thief up there

Give me a rose in the wintertime,
When it's hard to find.
Give me a rose in the wintertime,

A rose is sweet,
most anytime and yet
Give me a rose in the wintertime,

When it's hard to find
Give me a friend when I'm all alone
I've got friends on my mind.
A friend is sweet, most anytime and yet
Give me a friend when I'm all alone

Hallelujah

(Leonard Cohen)

I've heard there was a secret chord
That David played and it pleased the lord
But you don't really care for music do you?

It goes like this the fourth, the fifth
The minor fall, the major lift
The baffled king composing Hallelujah

Chorus:

Hallelujah, Hallelujah
Hallelujah, Hallelujah

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty in the moonlight overthrew you

She tied you to a kitchen chair
She broke your throne and she cut your hair
and from your lips she drew the Hallelujah

(chorus)

Maybe I've been here before
I know this room, I've walked this floor
I used to live alone before I knew ya

I've seen your flag on the marble arch
Love is not a victory march
It's a cold and it's a broken Hallelujah

(chorus)

There was a time when you let me know
What's real and going on below
But now you never show it to me, do ya?

And remember when I moved in you
The Holy Dark was moving too
And every breath we drew was Hallelujah

(chorus)

Maybe there's a God above
And all I ever learned from love
Was how to shoot at someone who outdrew ya

And it's not a cry you can hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

Harriet Tubman
(Walter Robinson)

One night I dreamed I was in slavery
About 1850 was the time.
Sorrow was the only sign,
Nothing about to ease my mind
Out of the night appeared a lady,
Leading a distant pilgrim band.
"First Mate," she cried, pointing her hand,
"Make room on board for this young woman."

Chorus:
Come on up (come on up) I got a life line
Come on up to this train of mine (repeat)
She said her name was Harriet Tubman,
And she drove for the Underground Railroad.

Hundreds of miles we traveled onward,
Gathering slaves from town to town.
Seeking every lost and found,
Setting those free that once were bound.
Somehow my heart was growing weaker,
I fell by the wayside, sinking sand.
Firmly did this lady stand,
Lifted me up and took my hand.

Help from my Friends
(Lennon & McCartney)

What would you think if I sang out of tune?
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song,
And I'll try not to sing out of key.

Chorus:
Oh, I get by with a little help from my friends.
Mmm, I get high with a little help from my friends.
Mmm, I'm gonna try with a little help from my friends.

What do I do when my love is away?
Does it worry you to be alone?
How do I feel by the end of the day?
Are you sad because you're on your own?

(chorus)

Bridge:
Do you need anybody?
I need somebody to love.
Could it be anybody?
I want somebody to love.

Would you believe in a love at first sight?
Yes, I'm certain that it happens all the time.
What do you see when you turn out the light?

Here Comes the Sun
(George Harrison)

Chorus:
Here comes the sun
Here comes the sun and I say
It's all right

Little darlin', it's been a long cold lonely winter.
Little darlin', it seems like years since it's been here.

(chorus)

Little darlin', the smiles returning to their faces.
Little darlin', it feels like years since it's been here.

Bridge:

Little darlin', it feels like years since it's been clear.

I Shall Be Released
(Bob Dylan)

They say everything can be replaced
Yet every distance is not near
Still I remember every face
Of every man who put me here

Chorus:
I see my light come shining
From the West unto the East
Any day now, any day now

I shall be released

They say everyone needs protection
They say everyone must fall
Yet I swear I see my reflection
Some place so high above this wall

(chorus)

Standing next to me in this lonely crowd
Is a man who swears he's not to blame
All day long I hear him shout so loud
Crying out that he's been framed

If You Want to Sing Out, Sing Out

(Cat Stevens)

Well if you want to sing out, sing out.
And if you want to be free, be free.
Cause there's a million things to be.
You know that there are.
And if you want to live high, live high.
And if you want to live low, live low.
Cause there's a million ways to go.
You know that there are.

Chorus:

You can do what you want, the opportunity's on.
And if you find a new way, you can do it today.
You can make it all true, and you can make it undo, you

see, Ahhh, it's easy, Aahhhh, you don't
need me to know.

Well if you want to say yes, say yes.
And if you want to say no, say no.
Cause there's a million ways to go.
You know that there are.
And if you want to be me, be me.
And if you want to be you, be you.
Cause there's a million things to do.
You know that there are.

No Hell below us, above us only sky

Imagine all the people living life in peace

Joe Hill

(Alfred Hayes)

I dreamed I saw Joe Hill last night
 Alive as you and me
 Said I "But Joe you're ten years dead."
 "I never died," says he (2x)

"In Salt Lake Joe,"
 I said to him
 Standing by my bed
 "They framed you on a murder charge."
 "Said Joe "But I ain't dead" (2x)

"The Copper Bosses shot you Joe
 "They killed you Joe," says I
 "Takes more than guns to kill a man,
 "Says Joe "I did not die" (2x)

And standing there as big as life
 And smiling with his eyes
 Joe says "What they could never kill
 "Went on to organize" (2x)

"Joe Hill ain't dead," he says to me"
 Joe Hill ain't never died.
 "When workers strike and organize"
 Joe Hill is by their side." (2x)

From San Diego up to Maine
 In every mine and mill
 When workers there defend their rights
 It's where you'll find Joe Hill (2x)

I dreamed I saw Joe Hill last night...

Keep On the Sunny Side

(A.P. Carter & Gary Garrett)

There's a dark and troubled side of life
 There's a bright and sunny side, too
 Tho' we meet with darkness and strife
 The sunny side we also may view

Chorus:

Keep on the sunny side
 Always on the sunny side
 Keep on the sunny side of life
 It will help us every day, it will brighten all the way
 If we keep on the sunny side of life

The storm and its fury broke today
 Crushing hopes that we cherish so dear
 Clouds and storms, in time, pass away
 The sun again will shine bright and clear

(chorus)

Let us greet with the song of hope each day
 Tho' the moment be cloudy or fair
 Let us trust and give thanks all the way
 And keep every one in our care

Sung in a round

Kookaburra sits in the old gum tree,
 Merry merry king of the bush is s/he
 Laugh Kookaburra, laugh Kookaburra
 Gay your life must be.

Kookaburra sits in the old gum tree
 Eating all the gumdrops s/he can see
 Stop Kookaburra, stop Kookaburra
 Leave some there for me.

 Counting all the monkeys s/he can see
 Stop Kookaburra, stop Kookaburra
 That's not a monkey, that's me!

Landslide

(Stevie Nicks)

I took my love and I took it down
 I climbed a mountain and I turned around
 And I saw my reflection in the snow covered hills
 Until the landslide brought me down

Oh mirror in the sky
 What is love
 Can the child within my heart
 Rise above
 Can I sail through the changing
 Ocean Tide
 Can I handle all the season of my life

mmmm.... I don't know mmmm

Well I've been afraid of changin'
'Cause I built my life around you
But time makes you bolder
Children get older
I'm gettin' older too (x2)

Sooo...
Take this love and take it down
If you climb a mountain and you turn around
And if you see my reflection in the
Snow covered hills then a landslide will bring you down

And if you see my reflection in the
Snow covered hills well maybe...
A landslide will bring you down
Well a landslide bring you down

Lean on Me (Bill Withers)

Sometimes in our lives
We all have pain,
we all have sorrow.
But if we are wise

We know that there's always tomorrow.

Chorus:
Lean on me, when you're not strong
And I'll be your friend, I'll help you carry on.
For it won't be long,
Till I'm gonna need somebody to lean on.

Please swallow your pride
If I have things
you need to borrow.
For no one can fill
Those of your needs that you won't let show.

(chorus)

Bridge:
You just call on me sister/brother
When you need a hand.
We all need somebody to lean on.
I just might have a problem
That you'll understand.
We all need somebody to lean on.

(chorus)

If there is a load
You have to bear,
that you can't carry.
I'm right up that road
I'll share your load, if you just call me.

Oh Lord, won't you buy me a Mercedes-Benz?

Worked hard all my lifetime,
No help from my friends.

Oh Lord, won't you buy me a color TV?

Dialing for Dollars is trying to find me.
I wait for delivery each day until three.
Oh Lord, won't you buy me a color TV?

Oh Lord, won't you buy me a night on the town?

Prove that you love me, and buy the next round.

Octopus's Garden

(Ringo Star)

I'd like to be under the sea
In an Octopus's Garden in the shade.
He'd let us in, knows where we've been,
In his Octopus's Garden in the shade.
I'd ask my friends to come and see
An Octopus's Garden with me.
I'd like to be under the sea
In an Octopus's Garden in the shade.

We would be warm below the storm
In our little hideaway beneath the waves.
Resting our head on the sea bed
In an Octopus's Garden near a cave.
We would sing and dance around
Because we know we can't be found.
I'd like to be under the sea
In an Octopus's Garden in the shade.

We would shout and swim about
The coral that lies beneath the waves.
Oh, what joy for every girl and boy
Knowing they're happy and they're safe.
We would be so happy, you and me.
No one there to tell us what to do.
I'd like to be under the sea
In an Octopus's Garden with you,
In an Octopus's Garden with you,
In an Octopus's Garden with you.

One Meatball

(Josh White)

A little man walked up and down,
To find an eating place in town.
He searched the menu through and through,
To see what a dollar-fifty would do.

Chorus:

One meatball, and no spaghetti,
One meatball, and that's all.

One meatball, and no spaghetti,
...He could afford just one meatball.
(new last line every time)

He told the waiter who was near at hand,
The simple dinner that he had planned.
The guests were startled, one and all,
To hear that waiter loudly call,

(chorus)
...This here gent wants one meatball.

That little man felt ill at ease,
He said "Some bread, sir, if you please."
They could hear throughout the mall,
"You get no bread with one meatball!"

(chorus)
..."You get no bread with one meatball!"

That little man felt so very sad,
'Cause one meatball was all he had.
And in his dreams he can still hear that call,
"You get no bread with one meatball!"

(chorus)
..."You get no bread with one meatball!"

Paradise (John Prine)

When I was a child, my family would travel
Down to Western Kentucky, where my parents were born.
There's a backwoods old town that's often remembered
So many times that my memories are worn.

Chorus:
Daddy, won't you take me back to Muhlenberg County
Down by the Green River where Paradise lay?
Well I'm sorry my son, but you're too late in asking,
Mr. Peabody's coal train has hauled it away.

Well sometimes we'd travel right down the Green River
To the abandoned old prison down by Adrie Hill.
Where the air smelled like snakes and we'd shoot with our
pistols,
But empty pop bottles was all we would kill.

(chorus)

Then the coal company came with the world's largest
shovel
And they tortured the timber and stripped all the land.
Well, they dug for their coal 'till the land was forsaken
Then they wrote it all down as the
progress of man.

(chorus)

When I die, let my ashes float down the Green River,
Let my soul roll on up to the
Rochester Dam.
I'll be halfway to heaven with Paradise waiting,
Just five miles away
from wherever I am.

Passing Through (D. Blakeslee and others)

I saw Adam leave the garden with an apple in his hand,
I said "Now you're out what are you gonna do-oo-oo?"
"Plant my crops and pray for rain, maybe raise a little Cain,
I'm an orphan and I'm only passing through."

Chorus:
Passing through, passing through,
Sometimes happy, sometimes blue,
Glad that I ran into you,
Tell the people that you saw me passing through.

I saw Harriet Tubman following that north star in the night.
I said "Where's that promised land you hope to
lead us to?"
She said "Someday we'll be there, if we have strength
enough to share.
We're all sisters and we're only passing through."

(chorus)

I saw Emma Goldman thrown in jail for helping the
oppressed.
She said "We won't stop no matter what they
do-oo-oo,
For they know as well as me, every person must be free.
We're all sisters and we're only passing through."

(chorus)

When Woody Guthrie sang the hills and mountains freely
rang,
Sounding "This land was made for me and you-oo-oo."
Said "There ain't no need to grieve, if you just live what you
believe.
We're all brothers and we're only passing through."

(chorus)

I saw Martin Luther King take a stand in Alabam'.
He said "I have a dream that must come true-oo-oo.
Stop your hatred, stop your war; in your love there's so
much more.
We're all brothers and we're only passing through."

(chorus)

Puff, the Magic Dragon

(Yarrow & Lipton)

Puff, the magic dragon,
Lived by the sea,
And frolicked in the autumn mist
In a land called Honah Lee.
Little Jackie Paper
Loved that rascal Puff,
And brought him strings and sealing wax,
And other fancy stuff. Oh!

Chorus:

Puff, the magic dragon,
Lived by the sea,
And frolicked in the autumn mist
In a land called Honah Lee. (2x)

Together they would travel
On a boat with billowed sail.
Jackie kept a lookout perched
On Puff's gigantic tail.
Noble kings and princes
Would bow where'er they came.
Pirate ships would lower their flags
When Puff roared out his name. Oh!

(chorus)

Dragons live forever,
But not so little boys.
Painted wings and giant rings
Make way for other toys.
One gray night it happened,
Jackie Paper came no more.
And Puff that mighty dragon,
He ceased his fearless roar.

His head was bent in sorrow,
Green scales fell like rain.
Puff no longer went to play
Along the Cherry Lane.
Without his lifelong friend,
Puff could not be brave.
So Puff, that mighty dragon,
Sadly slipped into his cave. Oh,

Ripple

(Hunter/Garcia)

If my words did glow with the gold of sunshine,
And my tunes were played on a harp unstrung,
would you hear my voice come through the music?
Would you hold it near, as if it were your own?

It's a hand-me-down, the thoughts are broken.
Perhaps they're better left unstrung.
I don't know, don't really care.
Let there be songs to fill the air.

Chorus:

Ripple in still water,
Where there is no pebble tossed,
no wind to blow.

Reach out your hand if your cup is empty,
If your cup is full, may it be again.
Let it be known, there is a fountain,
That was not made by the hands of man.

There is a road, no simple highway,
Between the dawn and the dark of night.
And if you go, no one may follow.
That path is for your steps alone.

(chorus)

You who choose to lead must follow.
But if you fall, you fall alone.
If you should stand,
then who's to guide you?
If I knew the way, I would take you home.

Silent Pauses
(Ky Hote)

I dreamt I saw you last night
on a snowy ninety-third street
You withdrew by simply saying
that the summer had been cold
We talked of all our old friends,
in our travels that we chanced to meet
And in the silent pauses we both thought
that we were growing old.

Chorus:
And it makes me think of all the friends I've
Had in this short time
Though I don't know where you are tonight,
You're still a good friend of mine
It makes me think of all the times I
Didn't stay that extra day
Just so I could have said,
"I love you" one more time.

You breezed through town just last week

Like a drunken teenage kid
You said "I don't know where I 'm bound.
I'm moving to free my mind.
You talked of work and plans and school;
A woman you loved and secrets you hid,
And how freedom meant living the life that
You were bound to find

(chorus)

Now at last I've found the one
who loves me when I'm free
Though I live between two doors,
I don't feel caged in
I line my walls with pictures of
The people that I long to see
And they all talk to me, all saying
"Where the hell you been?"

(chorus)

I dreamt I saw you last night
On a snowy ninety-third street
You withdrew by simply saying
That the summer had been cold
We talked of all our old friends,
In our travels that we chanced to meet
And in the silent pauses we both knew
That we would never grow old.

Simple Gifts
(Quaker Traditional)

Chorus:
Tis a gift to be simple, tis a gift to be free,
Tis a gift to come down where we ought to be.
And when we find ourselves in the place that is right,

When true simplicity is gained,
To bow and to bend we shall not be ashamed.
To turn and to turn shall be our delight,
Til by turning, turning we come round right.

Single Notes

(Brittany Kusserow)

Took a while to figure out
What the sound was as I drifted off
A million voices raised to shout
Just to hold their liberty aloft

As I joined them in my sleep
All the faces drifted into one
Bow together, let us weep
At the joke our country has become

Chorus:

*I know I was raised
In a generation of apathy
But I think I've got a say
In who should lead
And I know there are others
Who feel like I do
It takes all the single notes
To make a tune*

Everything is day to day
All my plans they come and go
And why I waste my time on them
Is something I may never know
It's easy just to raise my voice
And sing out for what I think I believe
But until I make some effort here
How can I expect to lead?

(chorus)

Bridge:

Single notes with single prayers
Single hearts so unaware
Single fires left to burn
Single lessons I should learn
Single moves with simple steps
Single face above the rest

So Long It's Been Good to Know You

(Pete Seeger)

Chorus:

So long, it's been good to know you (3x)
This dusty old dust is blowin' me home
And I've got to be drifting along

I've sung this song but I'll sing it again
Of the place that I've lived on the wild windy plain
In the month called April the county called Gray
Here's what all of the people there say

(chorus)

Well a dust storm hit and it hit us like thunder

It dusted us over and covered us under
It blocked all the traffic, it blocked out the sun
And straight for home all the people did run, singing...

(chorus)

The sweethearts that sat in the dark and they sparked
They hugged and they kissed in that dusty old dark
They sighed and they cried and hugged and kissed
But instead of marriage they talked like this, honey...

(chorus)

The telephone rang and it jumped off the wall
That was the preacher he's a-making his call
He said kind friend this might be the end
You've got your last chance at salvation from sin

(chorus)

The church it was jammed, the church it was packed
That dusty old dust storm blew so black
The preacher could not read a word of his text
He folded his specs, took up collection, said...

Solidarity Forever

(Ralph Chaplin)

When the union's inspiration
Through the workers' blood shall run
There can be no power greater
Anywhere beneath the sun
Yet what force on earth is weaker
Than the feeble strength of one
But the union makes us strong

Chorus:

Solidarity forever (3x)
For the union makes us strong

It is we who plowed the prairies
Built the cities where they trade
Dug the mines and built the workshops
Endless miles of railroad laid
Now we stand outcast and starving
Mid the wonders we have made
But the union makes us strong

(chorus)

They have taken untold millions
That they never toiled to earn
But without our brain and muscle
Not a single wheel can turn
We can break their haughty power

Gain our freedom when we learn
That the union makes
us strong

(chorus)

In our hands is placed a
power
Greater than their hoarded
gold
Greater than the might of
armies
Magnified a thousandfold
We can bring to birth a new
world
From the ashes of the old

Some Kind of Love

(Kate Wolf)

Some kind of love is like gold.
That kind of love's hard to hold.
It catches the eye of each thief passing by,
Some kind of love is like gold.

Some kind of love starts as friends.
That kind of love never ends.
It starts off slow, like flowers or snow.
Some kind of love starts as friends.

Chorus:

Some kind of love, some kind of love
Everyone's looking for some kind of love (repeat)

Some kind of love heals your wounds.
That kind of love comes too soon.
When your wounds are all healed
and you're back on your wheels,
you say that kind of love came too soon.

Some kind of love tears your heart,
When you know that it's wrong from the start.
But who's to explain the moth to the flame,
Some kind of love tears your heart.

(chorus)

Some kind of love never dies.
That kind of love's hard to hide.
Through the laughter and the rage, it mellows with age,
Some kind of love never dies.

The Soup Song

(Maurice Sugar)

I'm spending my nights in the flophouse
I'm spending my days in the street
I'm looking for work and I find none
I wish I had something to eat

Chorus:

Soup, soup, they give me a bowl of soup (2x)

I spent twenty years in the factory
I did everything I was told
They said I was loyal and faithful
Now even before I get old

(chorus)

I saved fifteen bucks with my banker
To buy me a car or a yacht
I went in to draw out my fortune
And this is the answer I got

(chorus)

I fought in the war for my country
I went out to bleed and to die
I thought that my country would help me
But this was my country's reply

(chorus)

I went on my knees to my maker
I prayed every night to the Lord
I vowed I'd be meek and submissive
And now I've received my reward

Strangest Dream

(Ed McCurdy)

Last night I had the strangest dream
I ever dreamed before
I dreamed the world had all agreed
To put an end to war

I dreamed I saw a mighty room
All filled with women and men

And the paper they were signing said
 They'd never fight again
 And when the papers all were signed
 And a million copies made
 They all joined hands and bowed their heads
 And grateful prayers were prayed

And the people on the streets below
 Went dancing round and round
 And guns and swords and uniforms
 Were scattered on the ground

Last night I had the strangest dream
 I ever dreamed before
 I dreamed the world had all agreed
 To put an end to war

Summer Waters

(Ruth Gerson @ Stewart Lake)

Rose you live like nothing shocks you
And you sing like you don't much care
You give your heart but no one's got you
You fall apart when no one's there

Chorus:

*Take me to your summer waters
Take me in the light of day
Show me how to climb a mountain
I'll keep your secret safe*

Come back to earth when you're tired
I know you give up more than your share
You laugh out loud in the face of liars
But you're not proud, you say life's never fair

(chorus)

Oh Rose, I never met a girl like you before
I never met someone who couldn't be shot down
I wanna know where you go when you've been ignored
I wanna go where you go when you can't stick around no more

Take me to your summer waters
I know it's where you get your strength
Take me to a higher mountain
I wanna look down at the world from that place

Just like you Rose,
Take me to your summer waters
Where you grow like a flower in spring
Take me to a field of wonder
Where you forget how to feel life's sting

Take me to your summer waters
Take me where the grass is greener
Take me to your summer waters
I wanna see what you've seen,
I wanna dream what you dream

Swimming to the Other Side

(Pat Humphries)

Chorus:

*We are living 'neath the great Big Dipper
We are washed by the very same rain
We are swimming in the stream together
Some in power and some in pain
We can worship this ground we walk on
Cherishing the beings that we live beside
Loving spirits will live forever
We're all swimming to the other side*

I am alone, and I am searching
Hungering for answers in my time
I am balanced at the brink of wisdom
I'm impatient to receive a sign

I move forward with my senses open
Imperfection, it be my crime
In humility I will listen
We're all swimming to the other side

(chorus)

On this journey through thoughts and feelings
Binding intuition, my head, my heart
I am gathering the tools together
I'm preparing to do my part
All of those who have come before me
Band together and be my guide
Loving lessons that I will follow
We're all swimming to the other side

(chorus)

When we get there we'll discover
All of the gifts we've been given to share
Have been with us since life's beginning
And we never noticed they were there
We can balance at the brink of wisdom
Never recognizing that we've arrived
Loving spirits will live together
We're all swimming to the other side

Comin' for to carry me home

Comin' for to carry me home

Teach Your Children
(Graham Nash)

You, who are on the road,
Must have a code, that you can live by.
And so, become yourself,
Because the past is just a goodbye.

Chorus:

Teach your *children* well
Their *parents'* hell did slowly go by.
And feed them on your dreams,
The one they pick's the one you'll know by.
Don't you ever ask them
Why, If they told you you would
Cry, So just look at them and
Si-i-igh, And know they love you

And you, of the tender years,
Can't know the fears, that your elders grew by.
So please, help them with your youth,
They seek the truth, before they can die.

There Was a Young Woman
(Meredith Tax)

(to the tune of "I know an old lady who swallowed a fly")

There was a young woman who swallowed a lie
I don't know why she swallowed the lie
Perhaps she'll die

There was a young woman who swallowed a rule
Live to serve man, she learned it in school
She swallowed the rule to prop up the lie
But I don't know why she swallowed the lie
Perhaps she'll die

There was a young woman who swallowed some fluff
Lipstick and candy and powder and puff
She swallowed the fluff to follow the rule
Live to serve man, she learned it in school
She swallowed the rule to prop up the lie
But I don't know why she swallowed the lie
Perhaps she'll die

There was a young woman who swallowed a line
"I like 'em dumb baby, you suit me fine..."
She swallowed the line to follow the fluff...
(repeat previous lines here)

There was a young woman who swallowed a pill

Might have said no but she hadn't the will
She swallowed the pill to follow the line...
(repeat previous lines here)

There was a young woman who swallowed a ring
Looked like a princess and felt like a thing
She swallowed the ring to make up for the pill...
(repeat previous lines here)

One day this young woman she woke up and said
I've swallowed so much I wish I were dead
She ran to her sisters, it wasn't too late
to liberate, regurgitate
She threw up the ring,
she threw up the pill
She threw up the pill,
she threw up the line
She threw up the line,
she threw up the fluff
she threw up the rule
Live to serve men, she learned it in school
And last of all she threw up the lie
Now she knows why she swallowed that lie
And she'll not die!

This Land is Your Land
(Woody Guthrie)

Chorus:

This land is your land, this land is my land
From California to the New York Island
From the redwood forest to the Gulf Stream waters
This land was made for you and me

As I was walkin' that ribbon of highway
I saw above me that endless skyway
I saw below me a golden valley
This land was made for you and me

I've roamed and rambled and followed my footsteps
To the sparkling sands of her diamond deserts
And all around me a voice was sounding
This land was made for you and me

(chorus)

The sun came shining as I was strolling
The wheat fields waving and the dust clouds rolling
The fog was lifting and a voice came chanting
This land was made for you and me

(chorus)

As I was walking I saw a sign there
And that sign said "No Trespassing"
But on the other side it didn't say nothing
That side was made for you and me

(chorus)

Nobody living can ever stop me
As I go walking that freedom highway

Nobody living can make me turn back
Cause this land was made for you and me

The Times They Are a Changin'

(Bob Dylan)

Come gather round people wherever you roam
And admit that the waters around you have grown
And accept it that soon you'll be drenched to the bone
If your time to you is worth savin'
Then you better start swimmin' or you'll sink like a stone
For the times they are a changin'

Come writers and critics who prophesize with your pens
And keep your eyes wide the chance won't come again
And don't speak too soon for the wheel's still in spin
And there's no tellin' who that it's namin'
For the loser now will be later to win
For the times they are a changin'

Come senators, congressmen please heed the call
Don't stand in the doorways, don't block up the hall
For those who get hurt will be those who have stalled
There's a battle outside and it's ragin'
It'll soon shake your windows and rattle your walls
For the times they are a changin'

Come mothers and fathers throughout the land
And don't criticize what you don't understand
Your sons and your daughters are beyond your command
Your old road is rapidly agin'
Please get out of the new one if you can't lend your hand
For the times they are a changin'

The line it is drawn the curse it is cast
The slow one now will later be fast
As the present now will later be past
The order is rapidly fadin'
The first one now will later be last
For the times they are a changin'

Too Many Things

(Michael Buescher)

Some folks got money, some folks got fame
Big fancy house and a big fancy name
But not me, I ain't got none of that
I don't have too many things babe
Don't even know where they're all at.

I got no car, to drive around
I use my feet to get downtown
And my feet don't follow Any speed limit sign.
I don't have too many things babe,
And most of them aren't even mine.

I've got a telephone, but it don't ring
When I want to talk to my friends I sing
Their songs and they sing them back to me
I don't have too many things babe,
And most of them weren't free.

My stereo, is just a box
With no CDs or digital clocks,
And I've got lots of records
But I got nothing to play them on.
I don't have too many things babe,
I might not even notice if they were gone.

But I've got paper, I've got pens
I've got envelopes, stamps, and friends,
And I've got this guitar and I've got this song to sing
I don't have a lot of stuff babe,
But I don't miss a thing.

Union Maid (Woody Guthrie)

There once was a union maid
Who never was afraid
Of the goons and the ginks and the company finks
And the deputy sheriffs that made the raids
She went to the union hall
When the meeting it was called
When the company boys would all come round
She always stood her ground

Chorus:
Oh, you can't scare me I'm sticking to the union
I'm sticking to the union, I'm sticking to the union
Oh, you can't scare me I'm sticking to the union
I'm sticking to the union till the day I die

This union maid was wise
To the tricks of the company spies
She'd never be fooled by the company stools
She'd always organize the guys
She'd always get her way
When she struck for higher pay
She'd show her card to the company guard
And this is what she'd say

(chorus)

You women who want to be free
Just take a tip from me
Break out of that mold we've all been sold
We've got a fighting herstory
The fight for women's right
With workers must unite
Like Mother Jones, move them bones
To the front of every fight

Under the shade of a Koolibah tree

Chorus:

Up jumped the swagman and grabbed him with glee
And he sang as he shoved the jumbuck in his tuckerbag
You'll come a-waltzing Matilda with me

(chorus)

Down came the squatter mounted on his thoroughbred
Up came the troopers, one, two, three
"Where's that jolly jumbuck
you've got in your tuckerbag?"
You'll come a-waltzing Matilda with me

What Did You Learn in School Today?
(Tom Paxton)

Chorus:

What did you learn in school today,
Dear little child of mine? (2x)

I learned that Washington never told a lie,
I learned that soldiers seldom die.
I learned that everybody's free,
That's what the teacher said to me.
That's what I learned in school today,
That's what I learned in school.

(chorus)

I learned that our government must be strong
It's always right and never wrong.
Our leaders are the finest men
That's why we elect them again and again.
That's what I learned in school today,
That's what I learned in school.

(chorus)

I learned that war is not so bad,
I learned of the great ones we have had.
We fought in Germany and in France,
And someday I might get my chance.
That's what I learned in school today,
That's what I learned in school.

(chorus)

I learned that boys grow into men,
Fly to the moon and back again.
And little girls to mommies grow,
To stay at home and cook and sew.
That's what I learned in school today,
That's what I learned in school.

(chorus)

I learned and learned and learned some more
'Til my eyes got red and sore
I wander the halls in a state of shock
But it all gets better at 3 o'clock.

Will the Circle Be Unbroken

(Traditional Spiritual; lyrics revision by Carter Family)

Chorus:

Will the circle be unbroken
By and by, Lord, by and by?
There's a better home a-waitin'
In the sky, Lord, in the sky.

I was standing by my window,
On one cold and cloudy day
When I saw that hearse come rolling
For to carry my mother away

(chorus)

I said to that undertaker
Undertaker please drive slow
For this lady you are hauling
Lord, I hate to see her go

(chorus)

Oh, I followed close behind her
Tried to hold up and be brave
But I could not hide my sorrow
When they laid her in the grave

(chorus)

Went back home, Lord, my home was lonesome
Missed my mother, she was gone
All my brothers, sisters crying
What a home so sad and alone

The Window Cleaner Song

(Bob Janis)

Well I grew up in a little town in the good old USA
My teacher taught the class one time, she changed my life
that day.
She said I want you to write a paper on what you're gonna
be.
Finish it by tomorrow, and hand it in to me.
Well I thought about it for a while, talked with all my friends.
Their future jobs didn't strike me good, they had no advice
to lend
So I closed my eyes and pictured myself in a couple-a
years' time.
And there it was! A vision of me!
Standing in my prime!

Chorus:

*Well, Betty wants to be a fireman
Chris wants to be a hired hand
Jack wants to become an Ancient Mariner
But me I'm different from the rest*

*I've got the job that suits me best
I want to be the president's window cleaner.
Window cleaner*

I studied hard to make the grade, working for that perfect
job,
Went to college where I learned how to talk like a snob
Knew where I was going, and I was quite content
Until a friend came up to me and said "They voted you
President"
Well I really didn't want to be the chief, it seemed a little dull
But my friends they rushed me into it, didn't give me time to
mull
So there I was in the Oval Office, running the United States
I knew I was made for window cleaning, not participating in
debates!

(chorus)

I cheated on my tax return, was outta there mighty quick
Didn't give no interviews, just packed my bag and my span
and my spick
Went to the window washer's office, started work the very
next day
Been washing windows ever since then, and that's where
I'm going to stay.
When I see the new President, I tip my hat and say humbly
"Mighty fine job you're doing there" and she says the same
to me
I'm set forever now, nothing can go wrong
As long as I'm the window cleaner with the window cleaning
song!

Gates won't close, railings froze
Get your mind off wintertime

Chorus:

*Whoo-ee! Ride me high
Tomorrow's the day my bride's gonna come
Oh, oh, we gonna fly
Down in the easy chair!*

I don't care how many letters they sent
Morning came and morning went
Pick up your money and pack up your tent
You ain't goin' nowhere

(chorus)

Tailgates and substitutes
Strap yourself to the tree with roots
